

Our January 10, 2017 Tuesday Night Community Program will feature a pictorial walking tour of old Lansdale that was originally presented in 1982. Inez Lincoln, then the society's historian and her husband Al compiled a slide presentation that featured many of the downtown buildings in Lansdale in the early and mid-part of the nineteen hundreds. Pat Rieker will narrate the program and the script will feature Inez's actual one that she used when she originally did her showing. Come and learn about the history of many of the structures that have been in Lansdale over the years. The program will be held at 7:30 PM at the Lansdale Parks and Recreation Building, 7th Street and Lansdale Avenue in Lansdale. There is no charge for the program however, donations are appreciated. You don't have to be a member to attend-All are welcome.
